

WEST DES MOINES WATER WORK BOARD OF TRUSTEES MEETING COMMUNICATION

DATE: December 18, 2017

ITEM:

4. Consent Agenda
j. Resolution – Accepting Completed Improvements – Della Vita

FINANCIAL IMPACT:

None

SUMMARY:

This action involves accepting the developer's completed mains in Della Vita. The Plat is generally located west of 88th Street in line with Cody Drive, see attached map. There are 447 lineal feet of 8-inch PVC water main and 1,875 linear feet of 10-inch PVC water main for a total length of 2,322 linear feet. This is new water main. The work was done by McAninch.

BACKGROUND

The developer's four year maintenance bond begins as soon as the Board of Trustees officially accepts newly constructed water mains into the distribution system. The developer is responsible for water main maintenance during the life of this bond. The Water Works becomes responsible for maintenance after the bond expires.

RECOMMENDED ACTION BY THE BOARD OF TRUSTEES:

Adopt Resolution accepting completed water main construction in Della Vita, generally located west of 88th Street in line with Cody Drive.

Prepared by: _____

A handwritten signature in cursive script, appearing to read 'William J. Mahan', written over a horizontal line.

Approved for Content by: _____

A handwritten signature in cursive script, appearing to read 'J. Wilson', written over a horizontal line.

RESOLUTION

A RESOLUTION ACCEPTING THE WATER MAIN CONSTRUCTION IN DELLA VITA

WHEREAS, the work has been inspected by Water Works personnel and found to be satisfactorily completed by McAninch, in substantial accordance with said plans, West Des Moines Water Works Standard Construction Specifications for Subdivisions and the Des Moines Metropolitan Area Design Standards Manual as Amended by West Des Moines, and consists of new construction of 447 lineal feet of 8-inch and 1,875 lineal feet of 10-inch PVC water main, and

WHEREAS, in recognition of the preceding recital, the staff of West Des Moines Water Works believes the appropriate requirements have been met, and therefore recommends acceptance of the work by The Board of Trustees,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE WEST DES MOINES WATER WORKS, AS FOLLOWS:

1. That said water main construction be and the same is hereby accepted as part of West Des Moines Water Works water distribution system, as of December 18, 2017,

and
2. That said maintenance bond shall expire on December 18, 2021.

PASSED AND APPROVED this 18th day of December, 2017.

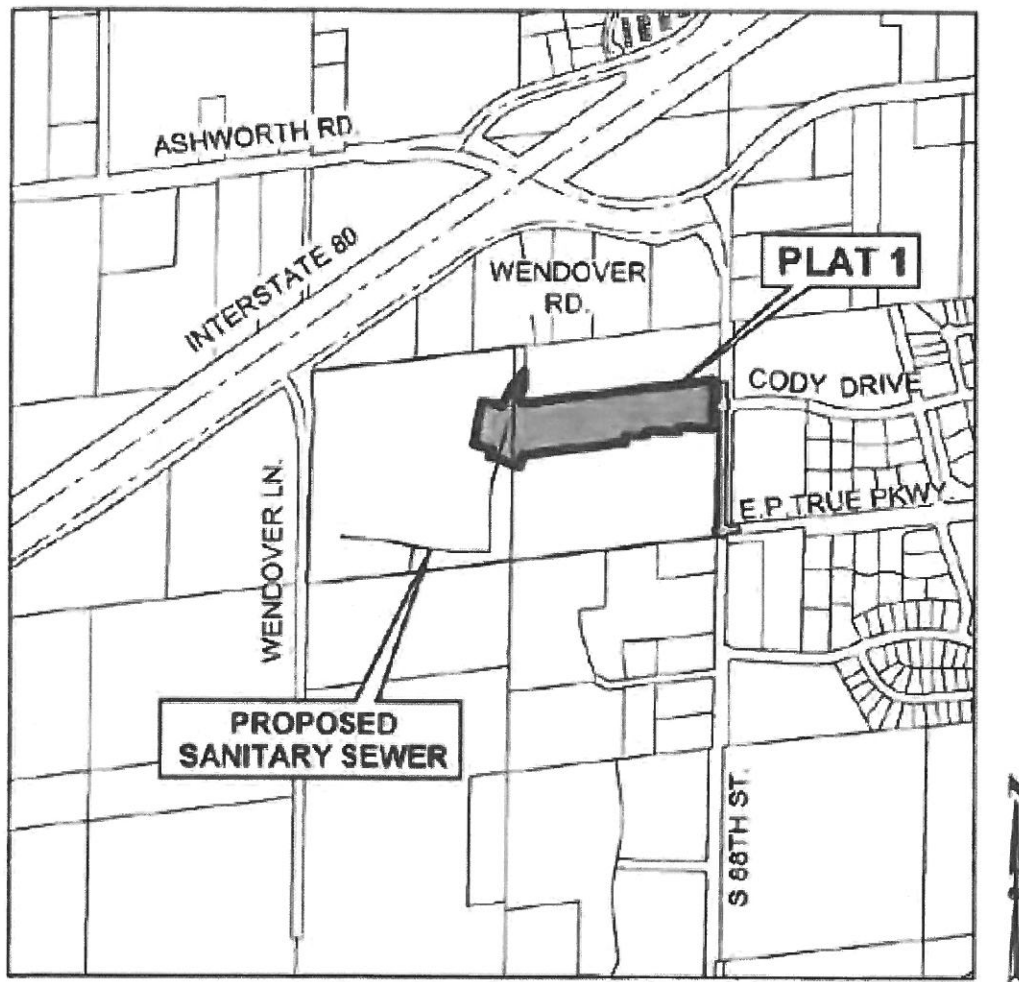

BOARD OF TRUSTEES, WEST DES MOINES WATER WORKS
