

**WEST DES MOINES WATER WORK
BOARD OF TRUSTEES MEETING COMMUNICATION**

DATE: February 20, 2018

ITEM:

6. Recommendation from Staff
 - b. Motion – Accepting a Proposal for Purchase of Dump Trailer

FINANCIAL IMPACT:

\$105,000 was included in Capital Outlay of the 2018 budget (00800-120-18012) for the purchase of two pieces of equipment, a dump trailer and wheel loader. It was anticipated the dump trailer would cost approximately \$10,000 of the budget line item. A quote of \$9,295.00 was received for the equipment.

SUMMARY:

The West Des Moines Water Works Purchasing Resolution allows for the purchase of equipment under \$10,000 upon approval by the General Manager after receiving a minimum of two written or verbal quotes. The following two written quotes were received for a 2018 Midsota Model HV-14 dump trailer:

Thomas Bus Sales, Inc. out of Des Moines, IA - \$9,295.00

M&G Trailer Sales out of Ramsey, Minnesota - \$10,524.60

The purchase is being brought for consideration by the Board of Trustees along with Item 6(c) for the purchase of the wheel loader.

BACKGROUND:

The Midsota Model HV-14 dump trailer will be used by the Distribution department to assist in repair work to the Distribution system. This new unit will be replacing our older 2002 Road Husky trailer. The 2002 Road Husky trailer will then be placed on Govdeals.com and sold to the highest bidder.

RECOMMENDED ACTION BY THE BOARD OF TRUSTEES:

To concur with the recommendation of staff and approve the purchase of a new dump trailer for a cost of \$9,295.00
