

WEST DES MOINES WATER WORK BOARD OF TRUSTEES MEETING COMMUNICATION

ITEM:**DATE:** May 21, 2017

6. Recommendation from Staff
g. Motion – Receive and File the 2017 Annual Water Quality Report

FINANCIAL IMPACT:

None

BACKGROUND:

West Des Moines Water Works annually produces the attached 2017 Water Quality Report, known as the Consumer Confidence Report (CCR), for all our customers. The Consumer Confidence Rule requires public water suppliers that serve the same people year round (community water systems) to provide a CCR to their customers. The CCR summarizes information regarding sources used (i.e., rivers, lakes, reservoirs, or aquifers) any detected contaminants, compliance and educational information. The reports are due to customers by July 1st of each year. The report is currently available on our website and will be sent out the months of May and June to all our customers. We also published that the report is available in the Des Moines Register and emailed our paperless customers a direct link to the report.

RECOMMENDED ACTION BY THE BOARD OF TRUSTEES:

To Receive and File the 2017 Annual Water Quality Report
