

WEST DES MOINES WATER WORKS BOARD OF TRUSTEES MEETING COMMUNICATION

ITEM:

DATE: December 17, 2018

5. Consent Agenda

c. Motion

 Approving Water Supply Service Agreement for Greenway Crossing Access Road

FINANCIAL IMPACT:

None

SUMMARY:

This is a routine action to provide water service to this project. The action is required by the lowa Department of Natural Resources.

BACKGROUND:

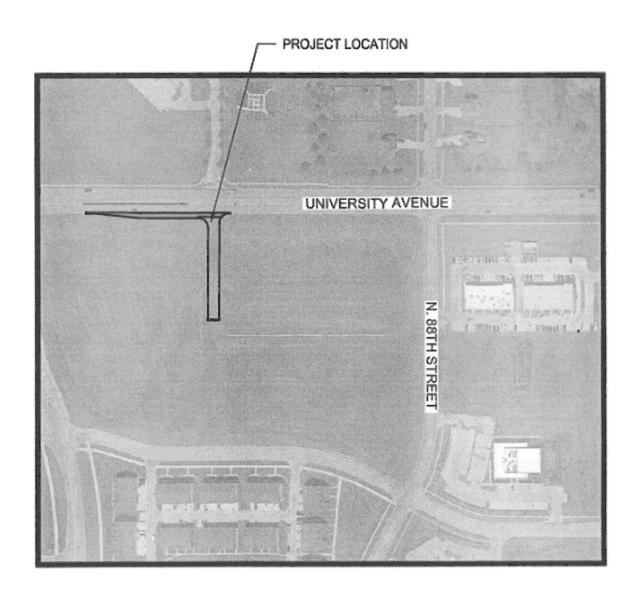

This action involves accepting the Water Supply Service Agreement for Grand Living. This document is part of the developer's application for an IDNR issued construction permit, and states the WDMWW will provide potable water to the development.

RECOMMENDED ACTION BY THE BOARD OF TRUSTEES:

110 Accept the vivaler Supply Service Agreement for and 1 revide 1 stable vivaler to
Greenway Crossing Access Road in West Des Moines.

	separately to the Wastewater Engineering Section of the Iowa Department of Natural Resources							

CONSTRUCTION PERMIT APPLICATION Water Supply Service Agreement

INSTRUCTIONS

This agreement must be executed for all projects where construction and water supply will be provided by different parties; i.e. a private subdivision connecting to a municipal system. This agreement must be executed by the parties who are owners at the time the permit is issued, regardless of whether title to the proposed construction project will be transferred after completion of the project.

This agreement is not necessary when a contract for water services already exists; i.e. service contracts between municipalities. However, the Department of Natural Resources must be informed in writing that the contractual agreement does exist.

agreement does exist.
