DATE: October 16, 2023

**ITEM:**

4. Consent Agenda
  - c. Resolution – Accepting Completed Improvements – Mill Ridge Plat 6

**FINANCIAL IMPACT:**

None

**SUMMARY:**

This action involves accepting the developer's completed mains in Mill Ridge Plat 6. The Plat is generally located West of S 88<sup>th</sup> Street and North of Stagecoach Drive, see attached map. There are 423 linear feet of 12-inch PVC water main. This is new water main. The work was done by McAninch Corporation.

**BACKGROUND**

The developer's four-year maintenance bond begins as soon as the Board of Trustees officially accepts newly constructed water mains into the distribution system. The developer is responsible for water main maintenance during the life of this bond. The Water Works becomes responsible for maintenance after the bond expires.

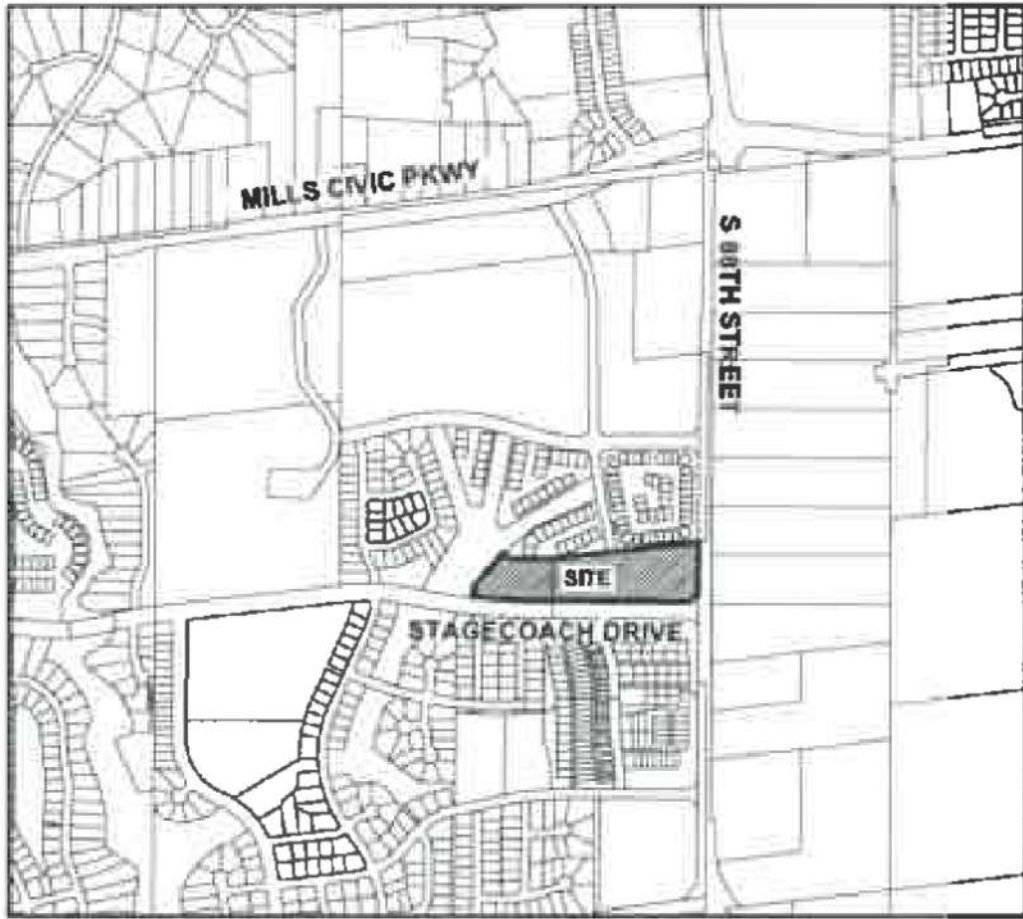

**RECOMMENDED ACTION BY THE BOARD OF TRUSTEES:**

**To Adopt a Resolution accepting completed water main construction in Mill Ridge Plat 6.**
